

PSHE Education and Relationships Education (RE) Policy - Overview

It is a statutory requirement for primary schools to deliver Relationships Education and the Department of Education (DfE) encourages schools to deliver Sex Education that ensures both boys and girls are prepared for the changes adolescence brings and – drawing on knowledge of the human life cycle set out in the National Curriculum for science. Here is a brief overview of the curriculum we will be delivering.

Our PSHE education, including statutory Relationships and Health education provides a framework through which key skills, attributes and knowledge can be developed and applied. This promotes positive behaviour, good mental health and wellbeing, resilience and achievement, helping children to stay safe online, develop healthy and safe relationships, making sense of media messages, challenging extreme views and having the skills and attributes to negotiate and assert themselves now and in the future.

The school has a powerful combination of a planned thematic PSHE program, built around a spiral curriculum of recurring themes, designed to:

1. Give pupils the knowledge and develop the self-esteem, confidence and self-awareness to make informed choices and decisions;
2. Encourage and support the development of social skills and social awareness;
3. Enable pupils to make sense of their own personal and social experiences;
4. Promote responsible attitudes towards the maintenance of good physical and mental health, supported by a safe and healthy lifestyle;
5. Enable effective interpersonal relationships and develop a caring attitude towards others;
6. Encourage a caring attitude towards and responsibility for the environment;
7. Help our pupils understand and manage their feelings, build resilience and be independent, curious problem solvers;
8. Understand how society works and the laws, rights and responsibilities involved.

What is being taught?

The Early Years Foundation Stage

In the Early Years Foundation Stage, PSHE education is about making connections. PSHE is taught through activities that are part of topics, as well as on an individual basis to develop personal skills such as dressing, feeding and toileting. Positive experiences are built through daily opportunities, to share and enjoy a range of different activities. Children are given the opportunity to engage in social activities, as members of a small group or occasionally during whole-school activities.

KS1 and KS2 - The curriculum is divided into 6 themed units:

1. Me and My Relationships: includes content on feelings, emotions, conflict resolution and friendships;
2. Valuing Difference: a focus on respectful relationships and British values;
3. Keeping Myself Safe: looking at keeping ourselves healthy and safe
4. Rights and Responsibilities: learning about money, living the wider world and the environment;
5. Being My Best: developing skills in keeping healthy, developing a growth mindset (resilience), goal-setting and achievement;
6. Growing and Changing: finding out about the human body, the changes that take place from birth to old age and being safe.

Below, each theme is broken down further for each year group so you can see what is being taught.

For further information please see the Relationships Education and PSHE policy and the medium term planning on our website.

Year/ Half- termly unit titles	1 Me and my Relationships	2 Valuing Difference	3 Keeping Myself Safe	4 Rights and Responsibilities	5 Being my Best	6 Growing and Changing
