

## **St. Paul's Primary School – Vision and Aims**

Our vision is to be the best school for our community, where everyone makes a difference with kindness, creativity and pride, so that all pupils thrive.

We will achieve this by:

- believing that a happy child is a successful one and we will support, nurture and develop each child to become life-long, happy learners.
- creating exciting and meaningful learning experiences for our children — both inside and outside the classroom — which will help them develop the knowledge, critical thinking skills, and character necessary to succeed in a rapidly changing world.
- providing a welcoming and safe learning environment where all children feel loved, valued, respected and encouraged to reach their fullest potential.
- maintaining an inclusive environment which acknowledges and respects children from diverse family and cultural backgrounds.
- ensuring our school is over-flowing with kindness, creativity and pride, so that all pupils thrive
