

Autumn 2

Welcome Back to a New Term!

We're so excited to begin another fantastic term of learning in Fox Talbot! This half term, our topic continues to be **Toys** — with a special focus on **moving toys**. The children will even have the opportunity to **design and create their own moving toy!**

In **Science**, we'll be exploring **different materials** and taking part in **life skills activities** that help us understand how to keep our **minds and bodies healthy**.

We'll also be enjoying **Helicopter Stories, Poetry Baskets, and Story Steps**, where children will have fun creating and performing their very own poems and stories.

This term, our class books are *Lost in the Toy Museum* and *Toys in Space* — wonderful stories that will inspire our creative learning about toys!

You can listen to our feelings song, *If You're Happy* by Noodle & Pals, on YouTube Kids.

Whole-School Learning

All children in Fox Talbot will continue to take part in our whole-school learning programs:

- **White Rose Maths**
- **Little Wandle Phonics** (reading and phonics)

PE and Outdoor Learning

- **PE Day:** Monday – please ensure your child wears a suitable PE kit (joggers, t-shirt, and trainers).
- **Outdoor Learning:** Thursday – please send in **wellies, waterproofs, and warm clothing** for learning outside the classroom.

Daily Reminders

As the colder and wetter months arrive, please help your child be prepared by sending:

- Wellies, coats/waterproofs, and a **spare change of clothes** (t-shirt, trousers, underwear, jumper).
- A **water bottle**.
- A **healthy snack** (no sweets) and either a **packed lunch** or **pre-ordered hot meal**.

We'll continue to support children in building **positive mealtimes routines** and independence.

Please make sure that **all belongings are clearly labelled**, including uniforms, coats, bags, bottles, and lunchboxes.

To prevent items from being lost or damaged, we kindly ask that **toys from home are not brought in**, unless agreed with a staff member to support sensory need.

Stay Connected

Please make sure you're signed up to **Tapestry**, our class app. It's a great way to keep up to date with your child's learning, photos, and key dates/information.

Thank you for your continued support — we can't wait for another exciting term of learning together!
