

Spring 1

Welcome Back to Neeld Class

We're so excited for another fantastic term of learning in Neeld. Mrs Gray-Clark will continue to teach in Neeld on a Monday, Thursday and Friday. Mrs Wilkins is back and will be working in Neeld on Tuesdays and Wednesdays.

This term our topic is Spring and Growth, where children will learn about the four seasons through Science, Geography, Literacy and Outdoor Learning. We will continue with Helicopter Stories, exploring Spring Poems and Story Steps, alongside seasonal texts such as Planting a Rainbow, Busy Spring – Nature Wakes Up and And Then It's Spring in **Understanding the World**

IT Communication Skills

We are beginning to explore and use Twinkl Symbols as part of our IT learning. This is a free app that can be downloaded and used at home as well as at school. This can be used to support communication. Find out more here [Twinkl Symbols for AAC - Communication Pictures, Software & Resources](#)

Whole-School Learning

All children in Neeld will continue to take part in our whole-school learning programs:

- **White Rose Maths/Mastering Number**
- **Little Wandle Phonics** (reading and phonics)

PE

- **PE Day:** Monday and Friday – please ensure your child wears a suitable PE kit (joggers, t-shirt, and trainers).

Daily Reminders

As the colder and wetter months arrive, please help your child be prepared by sending:

- Wellies, coats/waterproofs, and a **spare change of clothes** (t-shirt, trousers, underwear, jumper)
- A **water bottle**.
- A **healthy snack** (limit sweets where possible) and either a **packed lunch** or **pre-ordered hot meal**.

We'll continue to support children in building **positive mealtime routines** and independence.

Please make sure that **all belongings are clearly labelled**, including uniforms, coats, bags, bottles, and lunchboxes.

To prevent items from being lost or damaged, we kindly ask that **toys from home are not brought in**, unless agreed with a staff member to support sensory need.

Stay Connected

Please also ensure you are signed up to **Tapestry**, our class app, where you can follow your child's learning and communicate with staff.

Thank you for your continued support — we can't wait for another exciting term of learning together!
