

# Our Play Charter

**We have the right to ensure everyone enjoys playtimes by making sure:**

☺ **We have different play zones to help children choose their style of play.**

☺ **We share the playpod equipment and help put them away.**

☺ **We use scrap on scrap**

☺ **We take care of our play equipment and the natural environment.**

☺ **We include everyone in our play.**

☺ **We help each other to play.**

☺ **We try to make opportunities for challenge and risky play.**

☺ **When it is wet weather we put on our coats and wellies to play outside.**

☺ **If we have any problems we try to sort them out between ourselves and if we need to, we then talk to an adult.**

☺ **We apologise if we have made a poor decision.**
