Moving Up Day

It was lovely to see everyone in their new classes today. We hope the Year 6s enjoyed their Secondary Transition day and we look forward to hearing about it. Mrs Graham really enjoyed meeting her new class in Brunel and can't wait to start in September.

Year 6 Play

Good luck to all the Year 6s for their play next week - we can't wait to see it.

OPAL - we are PLATINUM - AGAIN!

We are thrilled to announce that we have been awarded Platinum once again in recognition of our outdoor play. The assessor - Rachel - has been part of our OPAL journey since 2020 and could see the continued improvements. She provided the following feedback:

'Congratulations to the pupils, staff and families at St Paul's on your second OPAL Platinum award. This is a truly outstanding achievement and places St Paul's among the very best primary schools in the country for the quality of outdoor play.'

It was a real pleasure to return to St Paul's two years after your first Platinum Award and see that not only has your commitment to play remained strong—it has grown even deeper. The school's play offer continues to go from strength to strength, with rich, inclusive, and imaginative opportunities for all pupils, including those in the new on-site resource base unit. During my visit, I witnessed children playing freely and joyfully across the grounds: exploring the mud kitchens and the new sandpit, climbing trees, swinging, riding scooters, playing basketball, somersaulting on the adventure playground, and building dens from loose parts and recycled materials. Congratulations to the entire school community—pupils, staff, and families. You should all feel immensely proud of what you have achieved together. I can't wait to see how your play journey continues to evolve.'

Well done to everyone and in particular Mrs Evans, Mrs Dixon and all the Play Leaders who continue to drive our OPAL vision forward for the benefit of every child.
