

Newsletter 2025-2026 No.35 - 26th June

Weather Disruption

This has been a challenging week for everyone - but we've made it! Next week is looking a lot cooler - in the low 20s! Thank you all for your patience and understanding whilst we implemented changes to our school day. With the temperatures remaining high during the night, our school building started hot each day and just got hotter. The children have been amazing and followed all the temporary rules to keep them as cool as possible. A huge thank you to all the staff also - the classrooms have been very uncomfortable.

Sports Day - Wednesday 1st July

For those new to our school, you are invited to watch your child participate in Sports Day from 10.00-11.00am. The gates will be closed after registration and will re-open at 9.50am. The gates will be closed again at 10.00am. The format will remain the same as previous years - children will participate in a variety of activities keeping them busy and energised throughout - being mindful of the temperature at that time of day. There will be separate arrangements for Neeld Class and this will be communicated to you separately.

Summer Fete - Friday 3rd July

We hope you can join us at our Fete next Friday - commencing at 3.05pm until approximately 4.30pm. There will be lots to do and the forecast (currently) is looking perfect. If you are able to help set up, please come along from 1.15pm. If you are able to provide a cake for the cake stall, please bring these on Friday morning. Thank you.

Summer Fete Preparations

Thank you for all the donations we have received so far - we are happy to keep receiving more. The next opportunity to help is:

Wed 1st July at 2.00pm - Tombola ticketing. We have lots of bottles and soft toys/unwanted gifts to sort. Please come along on Wednesday if you're able to.

Parent Evenings

Parent Evenings are being held on Tuesday 7th and Thursday 9th July. From Monday 29th you can book your appointments. There will be sign-up sheets in the hall from 3.00pm. If you are unable to come into school at that time, please phone the office to book your appointment from Tuesday onwards. This is a really valuable opportunity to find out how your child has progressed this year. As always, if you have children in different classes, please leave a 10mins gap between the end of your first appointment and the start of the next one to avoid any delays.

Voices of Friendship - Choir Performance

Good luck to the Choir who will be singing with other schools next week. We will be performing in John Coles Park. You are welcome to come and listen - however it is an informal event and no seating is provided.

Cricket Festivals - Good Luck

Good luck to our two cricket teams next week. The mixed team are playing against Sutton Benger - the winning team are invited to attend the finals in Swindon. Our Girls only team are competing in the finals on Friday against 5 other schools.

Induction Visit for new EYFS children

Unfortunately we had to cancel the first session this week. Therefore their first visit will be Wednesday 1st July - parents can stay for this visit.
